

# Advanced Pet Wellness: Featuring Rehabilitation & Therapeutic Care

Where Your Pet Is Treated  
Like One of Our Own.

# Complete Veterinary Care Under One Roof

Having a trusted veterinary team nearby brings immense peace of mind. At All Creatures Veterinary Center in Newhall, CA, we partner with pet parents to navigate every stage of a pet's life. Because pets experience stress in unfamiliar environments, we have designed an integrated hospital where your pet receives consistent care in a familiar setting. From routine wellness exams and dental care to advanced diagnostics and **Rehabilitation & Therapeutic Care**, our facility provides tailored healing strategies to keep your pets comfortable, safe, and healthy.

**Family Oriented:**  
Treating pets like family members.

**Stress-Reduction:**  
Gentle handling protocols in a serene atmosphere.

**Community-Driven:**  
Actively involved in education and shelter partnerships.

Compassionate End-of-Life Care

# Rehabilitation & Therapeutic Care

Customized pathways to restore mobility and alleviate pain.

1

## Precise Assessment

Utilizing advanced on-site imaging (CT, Ultrasound) to accurately pinpoint the source of pain or restricted mobility.

2

## Custom Rehab Plan

Developing tailored therapeutic strategies based on your pet's age, lifestyle, and specific condition (post-accident or post-operation).

3

## Innovative Treatments

Administering advanced, non-invasive modalities including Veterinary Acupuncture, Stem Cell, and PRP (Platelet-Rich Plasma) therapies.

4

## Accelerated Healing

Achieving quicker recovery times, dramatically reducing pain, and restoring your pet's quality of life.

# Designed Around Pet Parent Peace of Mind

*My pet gets highly anxious at the vet.*

## **Gentle Handling Protocols.**

Serene, quiet atmosphere with staff specifically trained to reduce stress during visits.

*Will quality care break the bank?*

## **Fair & Transparent Pricing.**

Clear cost explanations, upfront estimates, financing options, and acceptance of multiple pet insurance policies.

*What if there is a sudden emergency?*

## **Accessible Urgent Care.**

Quick rescue and trauma treatment available during all regular business hours.

*Does my pet need a specialist for surgery?*

## **Comprehensive On-Site Expertise.**

Dr. Marco and the team safely handle complex orthopedic, soft tissue, and dental surgeries directly on location.
